

海水採取に参加したメンバー（外務省、I A E A、原子力規制庁）
Members of the sampling mission from the Ministry of Foreign Affairs (MOFA), IAEA
and Nuclear Regulation Authority (NRA).

海水を採取し、均一化した後、各分析機関に試料を分別。
(試料は日本、I A E A環境研究所の各機関にて分析予定。)

Distribution of surface seawater samples to each of the participating laboratories after collection and homogenization. The samples will subsequently be analyzed in parallel in Japan and the IAEA Environment Laboratories in Monaco.
